

Blue Coast ARTISTS

22nd ANNUAL FALL TOUR OF STUDIOS AND OPEN HOUSE

OCTOBER 1st and 2nd
Saturday-Sunday 10am-6pm

For over twenty years the Blue Coast Artists have been delighting and educating the public with their annual Fall Tour of Studios. Viewers are invited once again to experience the creative process in action.

See a piece of pottery form, watch glass beads take shape in the torch, or watch colors come alive with a brush. These are just a few of the demonstrations that art lovers of all ages are sure to enjoy during this annual West Michigan autumn event, from 10AM-6PM both days and is free of charge.

The 2011 tour includes six working artists' studios located between South Haven and Saugatuck. Each site features demonstrations, original artwork, refreshments and more. Hands-on art making projects, unique art abodes and fall color makes this creative experience fun for the whole family.

The tour can be completed in one day.
